

DYSANFAST CLORO

Mini pills of active chlorine

DESCRIPTION:

Sanitizing effervescent tablets with bactericide effect. It quickly and easily dissolves in water, releasing, the active chlorine. Indicated to sanitize and clean restrooms, toilets, dishwashers, plumbing, flooring and washable surfaces in general, hospital equipment, urinals, campers, vessels, etc. Ideal for removing odors and mold from drains of all kinds.

HOW TO USE:

To obtain sanitizing solutions dissolve a tablet within 3 – 5 liters of water. For drains, toilets, dishwashers, washing water collection grids, water recycling, etc. It recommends placing 1 – 2 tablets directly into the drain in question and pour a little water in order to facilitate the dissolution and the effervescence of the latter. For safe hygiene is recommended to leave the product in contact with the surface 5 – 10 minutes, then do a thorough rinsing.

APPLICATIONS:

Ideal for the treatment of siphons, showers, bathtubs, toilets, wells, drains, etc. for homes, hotels, food, hospitals, schools, barracks, public places, communities, cleaning companies, farms, camping, camper, nursing homes, dairies, railways, laboratories, offices, etc.
