Yeasts

**Powerful concentrated degreaser
with sanitizing action, no rinse**

**Registered in Germany
Gemeldetes Biozid-Produkt Classe PT2**

DESCRIPTION:

Alcohol-based cleaning liquid with biocidal active ingredients, effectively cleans any surface without scratching. Ideal for baths, sanitary ware, tiles, hoods, stainless steel surfaces, mechanical parts, rubber fabrics, plastics and rubbery materials. As an aid to remove persistent stains before washing. At home and in the workshop, for professionals and DIY. Acts on grease, oil, soap residues and limescale.

DIRECTIONS FOR USE:

Spray the pure product directly onto the surface to be cleaned or onto a cloth or sponge. Scrub and rinse where possible. For persistent dirt, leave to act for a few minutes. Does not damage marble. Do not disperse the container into the environment after use.

TECHNICAL DATA:

Appearance	liquid
Density @ 20 °C	1.00 ± 0.05 kg/l
pH as is	9.4 ± 0.5
Dry residue in % @105 °C	4.1 ± 0.5 %
